59 STATE OF FOOD & NUTRITION

60 Burden of poor diet

The average cost of a healthy diet in India increased by 5.2% between 2017 and 2020

63 Food inflation

India has tamed its food inflation; now it is time to reverse the earlier price hikes

67 STATE OF AGRICULTURE

68 Agriculture output

While the overall economy shrank, agriculture, forestry and fishing grew during the pandemic

73 Milk inflation

India is likely to see an increase in milk prices due to a low growth rate in production

Farmer suicides 75

In 2021, over 29 farmers and farm labourers committed suicide every day

STATE OF ENERGY 79

Cooking fuel 80

46.7% of rural households use unclean firewood as their primary cooking fuel

Energy efficiency 83

Just 11 states/UTs have improved energy efficiency levels in industry in 2021-22

STATE OF WASTE 95

Municipal solid waste 96

32% of India's municipal solid waste remains unaccounted for

Legacy waste 98

71% of India's legacy waste remains to be remediated

Hazardous waste 99

18% increase in hazardous waste generating industries in five years

Illegal plastic use 101

A low redressal rate mars India's mobile application to report illegal plastic use

STATE OF AIR 105

Air pollution and health 106

Air pollution may have shortened average life expectancy of Indians by 4 years and 11 months

STATE OF WATER 113

River pollution 114

30 states/UTs have polluted river stretches

117 Waterbody census

Almost a quarter of waterbodies in urban India are not in use

126 Groundwater availability

15 states/UTs have over-exploited groundwater assessment locations

129 STATE OF BIODIVERSITY

130 Environmental crimes

India will need 11 years and 30 days to clear off the pending cases on wildlife crimes

132 Human-animal conflicts

India recorded an 83% increase in human deaths due to tiger attacks in 2022 over 2021

135 Tiger trade

India accounted for 34% of global tiger seizure incidents in January 2000-June 2020

137 Ecosystem services

In 2019-20, India saw an increase in the ecosystem services of forests for the first time in three years

143 ANNEXURES

144 Annexure 1

Indicator-wise scores for State of States rankings: Environment

146 Annexure 2
