CSE, founded in 1980, is a public
interest research and advocacy
organisation based in New Delhi.
CSE researches into, lobbies for
and communicates the urgency of
development that is both sustainable
and equitable.

Down To Earth is a fortnightly
on politics of environment and
development. In its 27th year of
publication, it continues to adhere to
its founder Anil Agarwal's objective
of bringing out news, perspectives
and knowledge to prepare citizens to
change the world.
