

CONTENTS

	Preface	iii
CHAPTER 1	How green is my Industry	1
	1.1 Understanding the green rating project	3
	1.2 Second rating: Indian pulp and paper sector	9
	1.3 Rating criteria at a glance	11
CHAPTER 2	Pulp and paper facts	15
	2.1 Size and structure	17
	2.2 Lagging behind: demand, consumption and production	24
	2.3 Market characteristics and economic performance	27
CHAPTER 3	Fibre consumption and sourcing	37
	3.1 Fibre yesterday, today and forever: fibre consumption pattern	39
	3.2 Fibre sourcing: sourcing pattern and economic fallout	46
	3.3 Interrogating demand and supply: economics of forestry	61
	3.4 Those who farmed: farm forestry case studies	67
	3.5 Agricultural residues: sourcing, consumption and outlook	73
	3.6 Recycled paper: sourcing, consumption and economics	79
CHAPTER 4	Paper production technology	89
	4.1 Raw material processing: Indian performance	91
	4.2 Pulp production: benchmarking Indian industry	99
	4.3 Pulp bleaching: Indian industry and the global benchmarks	121
	4.4 Chemical recovery is crucial	135
	4.5 Papermaking: Indian industry and the global best	145
CHAPTER 5	Water guzzlers	165
	5.1 Water in perspective: high and dry	167
	5.2 Water sourcing	168
	5.3 Benchmarking water use	173
	5.4 Interrogating water use: what lies behind high water consumption	181
CHAPTER 6	Energy sourcing and use	185
	6.1 Energy sourcing and use	187
	6.2 Energy generation systems	195
CHAPTER 7	Pollution: why is the load so heavy?	203
	7.1 Water pollution: innovation and impact	207
	7.2 Fouling the air: nuisance or health hazard	237
	7.3 More waste than paper: solid waste generation and management	249
CHAPTER 8	Environment policy and management	259
	8.1 Corporate policy and management systems	261
CHAPTER 9	Industry and the local community	267
	9.1 Primary survey: local community as a barometer of pollution	269
	9.2 Water and wars: industry-local community conflicts	270
CHAPTER 10	The report card and the way ahead	279
	The second report card	281
	10.1 Forcing the future to change	282
	10.2 What has changed since the last rating	284
	10.3 Top 3 companies: what makes them best?	286
	10.4 The losers: what made them slip?	289
	10.5 The way ahead	292
	Annexure: rating methodology of pulp and paper industry	296
	Abbreviation	332
