The Centre for Science and Environment (CSE), founded in 1980, is a public interest research and advocacy organisation based in New Delhi. CSE researches into, lobbies for and communicates the urgency of development that is both sustainable and equitable.
www.cseindia.org

Down To Earth is a fortnightly on the politics of environment and development. In its 31st year of publication, it continues to adhere to its founder Anil Agarwal's objective of bringing out news, perspectives and knowledge to prepare citizens to change the world.
